

La Roca  
Range

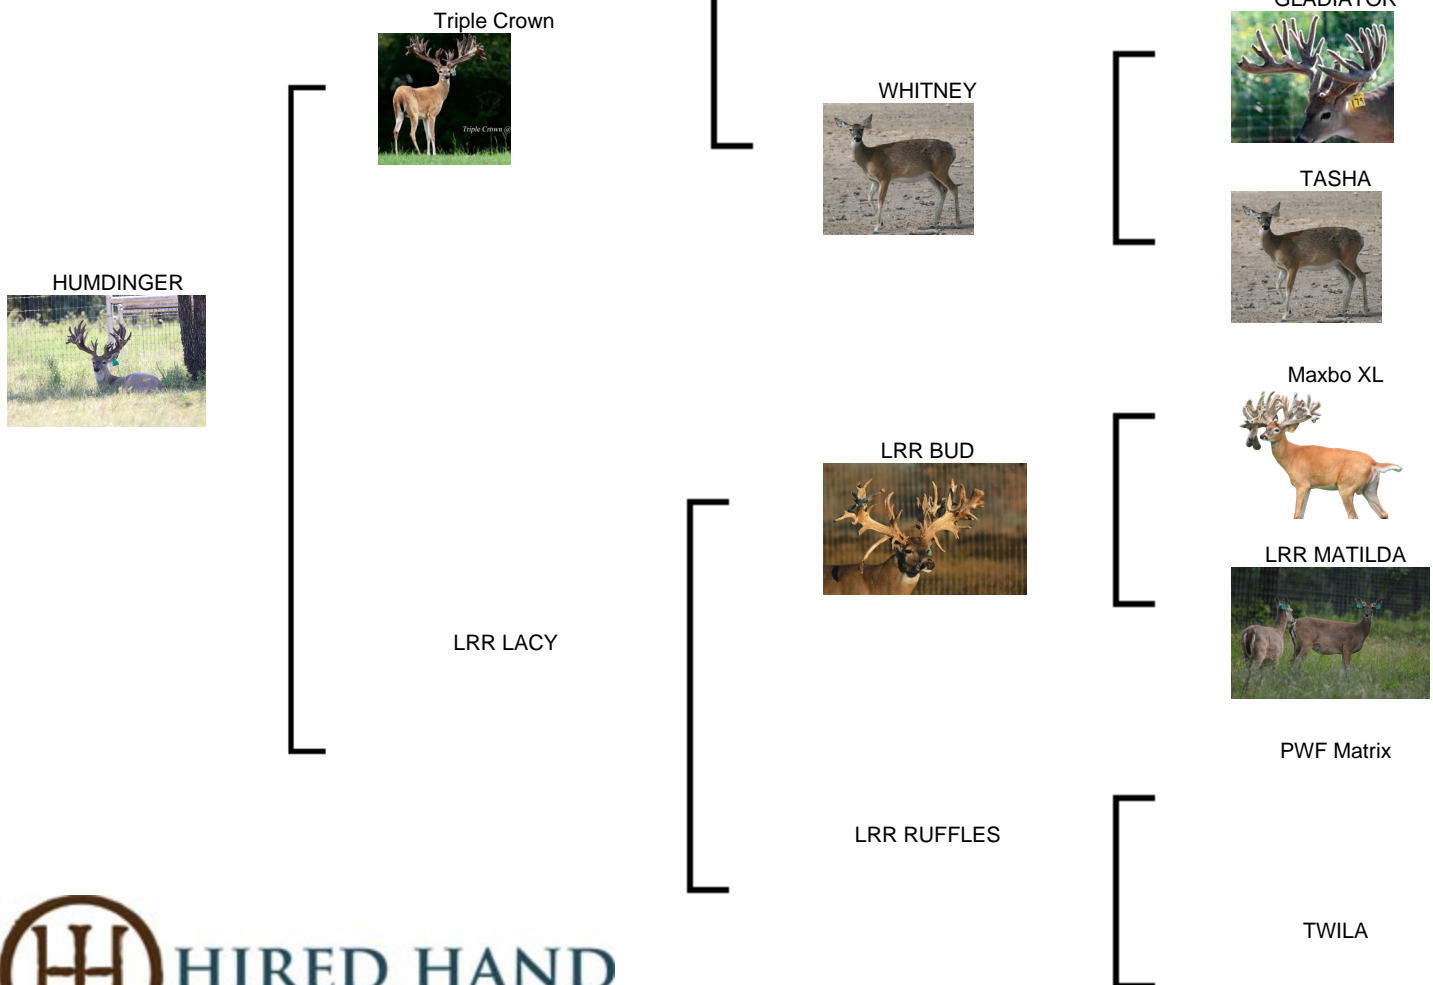

## HUMDINGER

Date of Birth: 06/08/2016  
Registration 1: X833  
Registration 2: 220653

Courtesy of La Roca Range

The combination of Triple Crown genetics mixed with our very own Bud genetics created this enormous yearling. He has been our largest yearling buck to date - scoring 262 B&C this year. We are excited to see what both his future holds as well as that of his offspring!
